Electrolux Dishwashing

# Corner Dryer for WTM

The Electrolux Dishwashing range is produced for customers with the highest conceivable demands in efficient, economic and ergonomic dishwashing operations. The product range is comprised of glasswashers, undercounter dishwashers, hood type dishwashers, rack type dishwashers, flight type dishwashers and pot and pan washers. The Corner Dryers complete the rack type dishwashing range.

864512

EASY TO INSTALL
• It is designed to be placed on a 90° or 180° dishwashing driven curve, immediately after a modular rack type dishwasher. The dryer must always be ordered with a 90° or 180° dishwashing driven curve.

EASYTO USE
• The feeding system from the dishwasher and the curve will automatically move the racks through the dryer.
• The drying zone removes every trace of water from the crockery, through a high powered fan that extracts dry air from outside with minimum temperature loss and steam escape.
• Electronically controlled to optimize the drying results.

EASY TO CLEAN
• The hygienic design provides easy cleaning.

EASY TO MAINTAIN
• The dryer is constructed in 304 AISI stainless steel.

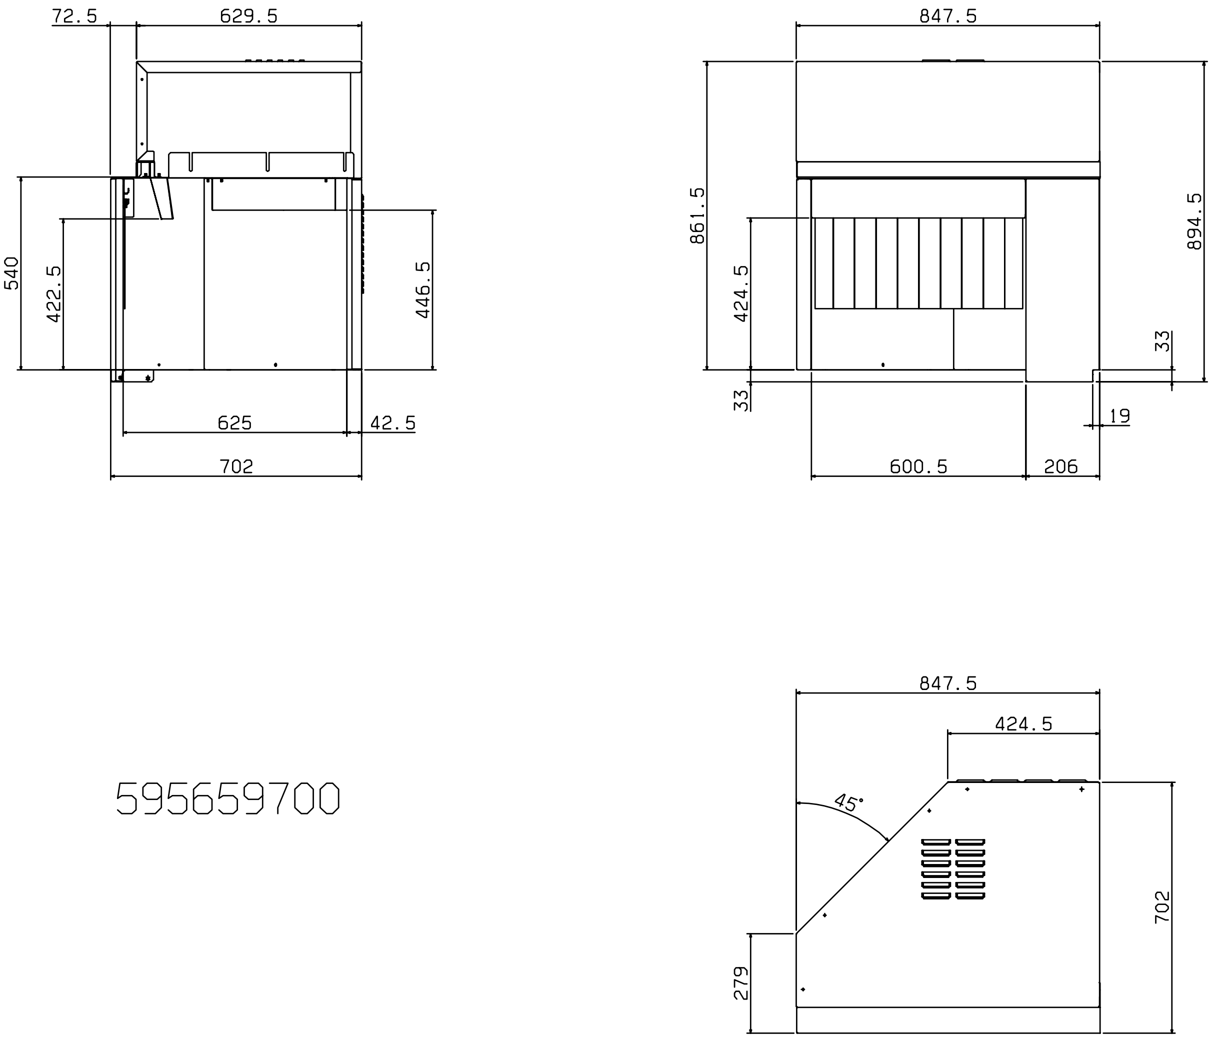

EASY ON THE ENVIRONMENT
• Developed and produced in an ISO 9001 and ISO 14001 certified factory.
• CFC free packaging.
• For further specifications and accessories, please see overleaf.
